Hi Kathleen, Shortly, We will provide you a list the key document that could be found on Envirostor/DTSC web site.

The PM for corrective action is Peter Ruttan and he can be contacted at 916-255-3630 or at the email above. The project supervisor is Ed ward Nieto and his phone number is 916-255-3578.

Regards,

Rizgar

**Subject:** Exide documents

Hello Rizgar,

Can you direct us to the key documents on the Envirostor website for Exide that will provide us a picture of the sampling strategy, protocols, results and cleanup strategy for the site? We noticed there are quite a few documents uploaded to the site. Can you also provide a technical staff contact that can answer questions from my staff? Thanks

Kathleen Salyer
